

# Cerniera Maxima 3<sup>a</sup> anta premontata

Cerniera a due ali in alluminio, contropiastre, viti e perno in acciaio inox, boccola in nylon autolubrificante. Viene fornita già premontata destra o sinistra e quindi pronta per l'assemblaggio al serramento. Portata di 2 cerniere Kg 70.

## Maxima three wing preassembled aluminium hinge

Two-wing hinge made from aluminium, the counterplates, screws and pin are stainless steel while the bush is made from self-lubricating nylon. It is ready-assembled right or left and so easy to fit to the wing. Capacity of 2 hinges, Kg 70.
